NiteOwls

The NiteOwls visited Reception and KS1 on
Thursday 10th October 2019.

The Niteowls visit schools so that children can experience the wonderful world of owls by bringing nature to the safe environment of your school. Their visit is **COMPLETELY FREE** of charge to schools.

As part of the experience, the children were given the opportunity to have their photographs taken with the owls.

We hope you take the opportunity to purchase the photographs, which not only provide a lasting memory of an exciting experience, but also help the Niteowls to continue to visit schools without charge.
