

YEAR 7	AUTUMN TERM	<b>Topic 1: Local Geography- What is Geography?</b>
		UK Geography
		Compass Directions and Map Symbols
		Four and Six figure grid references
		Four and Six figure grid references
		Distance on a map
		Map Skills consolidation
		GIS maps
		On site fieldwork
		On site fieldwork
		<b>Topic 2: Where in the World- Where do we come from?</b>
		Human and Physical Features of the world
		Human and Physical Features of the world
	Christmas Geography	
	SRPING TERM	Where does an iPhone come from?
		Where does an iPhone come from?
		Where does an iPhone come from?
		TA Edirt
		<b>Topic 3: Extreme Environments- What are extreme environments?</b>
		Cold Environments
		Monsoonal Environments
		Tropical Rainforests
		Tropical Rainforests
		The Sahel
		The Sahel
	The Sahel	
	SUMMER TERM	<b>Topic 4: Sustainable Cities- What is sustainability?</b>
		Dubai and Mazda
		The Brundtland Report
		Sustainability in Barking and Dagenham
		Designing a sustainable city
Designing a sustainable city		
Assessment revision		
Fieldtrip- Is Stratford sustainable?		
Fieldtrip- Is Stratford sustainable?		
Fieldtrip- Is Stratford sustainable?		

YEAR 8	AUTUMN TERM	<b>Topic 1: The Development Gap- What is development?</b>
		Development Indicators
		The Brandt Line
		Trade Game
		Causes of inequalities
		Development in India
		Development in India
		Development aid
		Development aid
		Fair Trade
		Development summary
		<b>Topic 2: Climate Change- What is climate?</b>
		Prehistoric/ Historical climate change
	The Ice Ages	
	SRPING TERM	Drivers of climate
		Causes of climate change
		Effects of climate change
		Managing climate change
		Climate change and development revision
		Climate change in the future
		<b>Topic 3: Rivers</b> Journey of a river
		River processes
		River features
		The river Clyde
		Development, climate and rivers revision
		Flooding
		Flooding
	SUMMER TERM	To dam or not to dam- decision making
To dam or not to dam- decision making		
To dam or not to dam- decision making		
To dam or not to dam- decision making		
Rivers summary		
<b>Topic 4: Population</b> What is population?		
Population pyramids		
Population problems		
Causes of migration		
Effects of migration		
Managing migration		

YEAR 9	AUTUMN TERM	<b>Topic 1: Skills-</b> Map Symbols
		Grid References
		Distance and direction
		Relief and map skills summary
		Maps and photographs
		GIS and describing distribution
		Skills feedback
		Scattergraphs
		<b>Topic 2: Tectonic Hazards-</b> What is a hazard?
		Hazard risk and distribution
		Causes of tectonic hazards
		Haiti earthquake (incl. case study questions)
		Comparing Christchurch and Haiti
	Effects and management of volcanic eruptions	
	SRPING TERM	Why do people live in areas of tectonic risk?
		Hazards summary
		<b>Topic 3: Weather Hazards-</b> What are weather hazards?
		Atmospheric circulation
		Causes of tropical storms
		Hurricane Katrina
		Weather hazards in the UK
		Cockermouth floods
		Climate Change
		Extreme weather in the UK
		Hazards summary
		<b>Topic 9: Urban Challenges-</b> Patterns of urban change
		Megacities
	SUMMER TERM	A case study of a major city in an NEE/LIC- location and importance on different scales
		A case study of a major city in an NEE/LIC- causes and opportunities of urban growth
		A case study of a major city in an NEE/LIC- the challenges of urban growth
		An example of urban planning
Population distribution in the UK		
A case study of a major city in the UK- location and importance on different scales		
A case study of a major city in the UK- impacts of migration		
A case study of a major city in the UK- challenges and opportunities		
An example of an urban regeneration project		
Features of sustainable living		
Urban transport strategies		
Catch-up		

YEAR 10	AUTUMN TERM	<b>Topic 9: Urban Challenges-</b> Patterns of urban change
		Megacities
		A case study of a major city in an NEE/LIC- location and importance on different scales
		A case study of a major city in an NEE/LIC- causes and opportunities of urban growth
		A case study of a major city in an NEE/LIC- the challenges of urban growth
		An example of urban planning
		Population distribution in the UK
		A case study of a major city in the UK- location and importance on different scales
		A case study of a major city in the UK- impacts of migration
		A case study of a major city in the UK- challenges and opportunities
		An example of an urban regeneration project
		Features of sustainable living
		Urban transport strategies
	Catch-up	
	SPRING TERM	<b>Topic 5: River landscapes (including fieldwork?)-</b> Overview of UK landscapes
		River processes
		River landforms
		River landforms and river profiles
		An example of a river valley in the UK (River Clyde?)
		Causes of flooding and varying flood risk
		Effects and management of flooding
		An example of flood management in the UK
		<b>Topic 6: Coastal landscapes-</b> Coastal Processes
		Coastal features
		An example of a UK coastline (Jurassic Coast?)
	Coastal management	
	An example of coastal management	
	SUMMER TERM	<b>Topic 7: Water resources-</b> Food, water and energy
		Changing demand for food, water and energy in the UK
		Patterns of water availability and factors which affect this
		Strategies to increase water supply
		Strategies for sustainable water use
<b>Topic 8: Ecosystems-</b> What is an ecosystem?		
Components of an ecosystem (and the balance between them)		
An example of an ecosystem within the UK		
Global ecosystems		

YEAR 11	AUTUMN TERM	Controlled Assessment Write-up
		Controlled Assessment Write-up
		Controlled Assessment Write-up
		TA1- Themes Paper
		Controlled Assessment Write-up
		TA feedback
		Controlled Assessment Write-up
		Coastal Landforms
		Jurassic Coast case study
		Hard engineering coastal management
		Soft engineering coastal management
		Coastal management case study
	Mock exam week	
	Mock exam week	
	SPRING TERM	<b>New Topic:</b> Population and Settlement- key terms
		Population pyramids
		Population change over time
		Overpopulation
		Dependent populations
		Mock SDM (Ageing populations past paper)
		Migration
		Urbanisation and counter-urbanisation
		Counter-urbanisation
		Land use change
		Goods and services
Mock SDM- Settlement		
Mock themes paper		
SUMMER TERM	Mock feedback and corrections	
	Themes revision	
	Themes revision	
	SDM revision	
	SDM exam	
	Themes exam
